BIKING ON THE BANKS

Outer Banks Bike Week

Monday, April 22nd - Friday, April 26th

If you didn't make it to Daytona for this year's Bike Week, or if you just want to keep the party going, then you can head to the North Carolina Coast for the 21st Annual Outer Banks Bike Week this month. This Rally, held in Harbinger, N.C. is gaining recognition as one of the East Coast's top destinations for bike week festivities.

If you've never been to the North Carolina Outer Banks, you are in for a treat! This picturesque area is a combination of many small towns and islands, including Ocracoke Island, Hatteras Island and Roanoke Island and famous beaches, including Kitty Hawk, the home of Wilbur & Orville Wright's historic first flight. Visitors to the Outer Banks will discover miles of amazing coastline terrain, incredible views, lots of salt air and sandy beaches, friendly people and a host of upcoming Bike Week activities.

For Bike Week, April 22, 2024 - April 28, 2024, thousands of motorcycles will be rolling into this otherwise sleepy town for a week of fun and sun, including daily guided rides, a big money poker run, bike games, lots of live music, bike shows, demo trucks, minibike races, and much more.

landscapes that are ever-changing, from the budding trees to the wildflowers that start to dot the roadside. Routes like these are not just traveled; they are experienced.
