## Jeffrey Glassman Injury Lawyers to Provide Relief at the Pump with Free Gas Giveaway in Dorchester

*\$7,777 in free fuel to be distributed to Boston workers and neighbors ahead of Patriots' Day Weekend*

**BOSTON, MA — April 14, 2026** — As gas prices continue to strain household budgets across the Commonwealth, **Jeffrey Glassman Injury Lawyers** is stepping in to provide direct relief to Boston drivers. On Friday, April 17, the personal injury firm will host a "Free Gas" event at John's Gas & Auto Repair in Dorchester, offering up to **\$7,777** in free gasoline on a first-come, first-served basis.

"Boston is my home, and right now people are feeling the pressure every time they fill up their tank," said Jeffrey Glassman, founder of Jeffrey Glassman Injury Lawyers. "At our firm, we've always believed that true advocacy isn't limited to a legal brief - it's about being present where our community needs us most. Right now, that need is at the pump. We wanted to give back in a way that directly helps our neighbors and hardworking local crews get where they need to go."

The event is timed to support the community leading into the busy Patriots' Day weekend. In addition to the fuel, the Jeffrey Glassman Injury Lawyers team will be on-site handing out t-shirts, draw-string bags, and "Rally Cards" to help residents cheer on Boston Marathon runners this coming Monday.

To ensure a smooth experience, the firm has coordinated with local law enforcement to assist with traffic flow.

---
